

Dear Parents:

In order to keep the community informed about events and activities at Vinita High School, we often have pictures published in the local and area papers as well as the possibility of regional and national publications. In addition, we are in the process of building a website for the entire district, which may have group and individual pictures. We hope that you enjoy seeing pictures of your child and others as they grow and receive recognition for their achievements and activities, whether as individuals or as part of a group.

Please visit our website and let us know what you think.
